#### No Bick Case This Term.

J. J. Bick was in Paris, Tuesday for the first time in many months. For the first time in thirty years he had no cases on the docket. This time, instead of foreclosing on a widow whose farm is now at his mercy, he consulted a lawyer to see if the matter could not be so arranged that she could remain in unmolested possession the balance of her life. Bick is in very poor health.—Appeal.

Watches and watch bracelets, the latest style.—R. Manning Walker.

Mrs. John Byrd and Miss Georgie McGlasson were Quincy visitors Tuesday and Wednesday.
